Storage

Dawson can safely store your possessions for a short time or a long-term basis.

At our warehouse we have automatic pest control, state-of-the-art security, and a high priority is placed on fire protection and cleanliness - your goods will be well looked after in a safe, secure environment.

To save you time and money, as well as protecting you from an increased risk of damage from moving everything twice, we come to you, collect your goods to be stored, load them into a container and take it straight to our world-class storage facility.

- Cartons top loaded to reduce weight pressure.
- Felt pad wrapping for maximum protection.
- Refrigerators stored with door ajar.

Insurance

Dawson holds a Customer Goods In Transit and Storage insurance policy. Should you decide that this meets your needs, we can help you arrange insurance for your goods both during transit and in storage*.

* If we do arrange insurance for you, we will give you a Product Disclosure Statement (PDS) which describes the main features of the policy. You should read objectives and financial situation.

Extra Services

We can also help with:

- House Cleaning
- Motor Vehicle Transportation
- Pet Transport
